Cookies and analytics data

Any information we automatically collect is that related to the use of our website. This information is anonymous and is gathered through our servers' log files. These log files record generic information, such as the number of visits our website receives, the types of browsers used and the number and types of files downloaded, but never personal information. This log file information allows us to create better content aimed at our viewer's preferences. Some of our pages use a feature of your browser called a "cookie." Cookies, by themselves, are not able to extract any personal information from you. This cookie automatically identifies your computer – but not you – to our servers when you visit our site. Unless you specifically tell us, Roval Aluminium will never know who you are, even though we may assign your computer a cookie. Also, Roval Aluminium's websites can only read cookies created by Roval Aluminium's websites. Roval Aluminium websites nevertheless use third-party analytics cookies.

Cookies amongst others allow us to personalize our site for you and to provide you with information that fits your needs and desires. For instance, once you choose a language and visitor type, a cookie is written to your computer so that you will not need to make that choice in the future again. When you download documents or files, a cookie is written to your computer so that you can be informed about updated versions of these files.

Contact us in case of questions

Roval Aluminium knows that your privacy is very important to you. We welcome questions and comments regarding this policy, so feel free to contact us at privacy@roval.eu. Because technologies on the Internet change so quickly, Roval Aluminium reserves the right to modify its Privacy Policy from time to time. By using this website, you agree to the terms and conditions of this Privacy Policy.
